Lagoon 42

Berths: 8+2+2 **Cabins:** 4+2 **Bathrooms:** 4

The **Lagoon 42** is one of the youngest models of the French brand that has made a great success both among charter companies and in the private shipowners market.A balanced and well finished boat, equipped with great comfort and performance.The boat has the wheelhouse on a platform halfway between the cockpit and the deckhouse of the dinette. Well protected by a steel and canvas structure and an opening part in fiberglass. Next to the wheelhouse a large sundeck allows you to have guests lying on the deckhouse with which to entertain, while in command.

Our **Lagoon 42** is in its Quatuor version, equipped with **4 double cabins and 4 private bathrooms** , we have also added two single cabins in the bow to accommodate any crew, equipped with independent bathrooms.

Thanks to the watermaker, solar panels, generator and inverter you can do the galley on the day of departure and forget about every port until the day of return!

The routes are endless, we can create them together or you can choose from itineraries designed with the utmost care. Imagine observing the **Egadi Islands**, **Favignana**, **Levanzo and Marettimo** from an exclusive point of view, the sea.

You will sail between coves and unique landscapes, eating the products of our land, among scents and colors that you will not be able to forget.
