

Lucia 40

Suitable for a trip with friends or family, **Lucia 40** has bright and spacious interiors. The cockpit is about 12 square meters, and has a very spacious bow. Inside there is great attention to detail and comfort is never sacrificed.

In addition, the Lucia 40 has **4 double cabins and 4 bathrooms**, which is very difficult to find in a catamaran of this size.

Thanks to the watermaker, solar panels, air conditioning in the dinette, generator and inverter you can do the galley on the day of departure and forget every port until the day of return!

What are you waiting for to book your holiday on board!

The routes are endless, we can create them together or you can choose from itineraries designed with the utmost care. Imagine observing the **Egadi Islands, Favignana, Levanzo and Marettimo** from an exclusive point of view, the sea.

You will sail between coves and unique landscapes, eating the products of our land, among scents and colors that you will not be able to forget.
