Inside, the refinement lies in its bright and welcoming lounge, which includes a well-equipped kitchen.

The cabins compete in terms of comfort and refinement; **5 double cabins**, one with bunk beds, our Saona has **5 bathrooms** and we have also managed to obtain a single cabin forward with independent access from the outside and with its own bathroom.

Its haughty lines give the Saona 47 catamaran agile and flexible maneuverability. At the helm, let yourself be carried away by the beautiful sensations it gives and experience its gliding performance intensely, supported by an optimal weight / volume ratio that guarantees speed and balance.

Thanks to the air conditioning in all cabins, the watermaker, solar panels, generator and inverter you can do the galley on the day of departure and forget about every port until the day of return !

The routes are endless, we can create them together or you can choose from itineraries designed with the utmost care. Imagine observing the **Egadi Islands, Favignana, Levanzo and Marettimo** from an exclusive point of view, the sea.

You will sail between coves and unique landscapes, eating the products of our land, among scents and colors that you will not be able to forget.
